O'Brien Returned Here by Chief Police Smith

Chief of Police O. H. Smith arrived from Beatty this noon, having in custody J. P. O'Brien, former employee at the Tanopah Extension, who was arrested at that place by Deputy Sheriff Fred Romick. O'Brien is charged with having defrauded Leon Kind out of a bill of goods amounting to \$47.

Organization of Parent Teachers Is Planned

There will be a meeting held at the high school on Wednesday evening, the object being to organize a Parent Teachers' Association. All parents of school children are urged to be present as matters of great importance will be brought up for discussion.

Fishermen Are Busy.

Iven Feffries, J. Klinger and Scott Mullen will leave tomorrow morning on a fishing expedition that will take them to Twin rivers. They expect to be absent two days.

NEVADA OPHIR PLANNING BIG DEVELOPMENT

Famous Old Murphy Mine Will Receive Thorough Exploitation by New Company.

The Nevada Ophir Mining company, controlling the famous old Murphy mine, situated 50 miles north of Tonopah, in the Tioyabe range of mountains, Nye county, better known as Ophir canyon, is to undergo a comprehensive campaign of exploration. Already a force of seven men is at work in prosecuting surface development and in construction of a road leading to the seat of operations, and by the end of May it is hoped to have underground development inaugurated.

A. W. Newberry, well known mining engineer, is resident superintendent and J. T. Harrington, who has been in charge of the property for a long period, will serve as assistant. Walter E. Trent, for a long time in charge of the Louisiana Consolidated property at Tybo, serves as president.

Resurveying of the old incline shaft will be one of the first undertakings. This shaft has a depth of 500 feet and from the five levels which were worked it is estimated that the production averaged around \$1,000,000 a level during the years 1888-92. The last work performed on the property was in 1887, and owing to the caving of certain portions of the workings, no authentic account of developments is available; the old maps either having been lost or destroyed, together with valuable data touching upon production.

A report issued by T. A. Oliver, on February 18, 1887, then superintendent of the property, shows that the average value of the ore was 200 ounces in silver, while on the fifth level the values varied from 50 to 1000 ounces of silver a ton, with the pay streak being four feet in width.

The Murphy, or Nevada Ophir, is a silver mine that should again give a good account of itself. Operations ceased with the demonization of silver, since which time the property has only been worked at irregular intervals. The holdings passed to the Nevada Ophir Mining company in 1917, to be held for active operations until after the termination of the war. The management now believes that the time is opportune to proceed with thorough exploitation in view of the present high price of silver, and within a few months production should be inaugurated.

Harold Kind Is Still Confined to Hospital

Advice from Newark, N. J., are to the effect that Harold Kind, former Tonopah boy, is still confined to the hospital, and that there is little change in his condition, although there is a slight improvement. The improvement of the patient promises to be long and tedious before he fully recovers his health, but his friends hold out the hope that a turn for the better may occur real soon.

WALDORF BUFFET.

The opening of the Waldorf Buffet, opposite the Butler theater, as a soft drink parlor, will be conducted under the proprietorship of Corak and Drysdale. Mixed drinks of every variety, combined with unexcelled service, will be the main feature. Punches of fruit juices for parties or dances, to please the most fastidious, will be given the most careful attention. We respectfully solicit your patronage. Corak & Drysdale. A28-4f.

PERSONAL

C. R. OLSEN and wife, of Phonelie, are visitors to Tonopah.

THOMAS SILVER, who is leasing at Royaton, is a visitor to Tonopah today.

JOE WHITE was in Goldfield yesterday to attend the funeral of the late Mrs. Falvey.

I. TASEM, well known jeweler, left this morning for San Francisco on a business mission.

HAROLD STOTTSBURY, well known consulting engineer, departed this morning for Reno.

MISS ISABELLE MORRISON has returned to her home in Goldfield after a visit of a few days with Tonopah friends.

MILAN DAVIDOVICH, of the firm of Jamieson & Davidovich, assayers and chemists, is confined to his home, suffering an acute attack of rheumatism.

C. E. BONA and wife, of San Antonio, who have been in charge of the Kough ranch at that place, were arrivals in Tonopah last night and expect to reside here permanently.

A. W. NEWBERRY, superintendent of the Nevada Ophir Mining company, accompanied by Stanley Langille, left this morning with a heavily laden truck for Ophir canyon. Mr. Newberry is causing supplies to be taken to the mining property with a view of inaugurating extensive development.

MRS. E. H. EVERHARD and her daughter, Miss Edith, of Canton, O., who have been visiting in Tonopah, left this morning for Manhattan, accompanied by A. S. Putney, well known mining man of Manhattan, where they will visit with Mrs. Bradley, mother of Mrs. Putney. Mrs. Everhard is interested in mining with Mr. Putney, and will be shown matters of interest in the Pine Tree camp.

PLACER MINING AT MANHATTAN BEING RUSHED

Putney and Associates Are Engaged in Equipping the Premises for Activity.

A. S. Putney, well known Manhattan mining man, who, with a number of associates, is engaged in placer mining in the lower end of the Manhattan district, expect to begin gold production by the first of June. During the past several weeks an active campaign of work has been in order and two 5-ton trucks of lumber have been delivered on the ground. Sluicing will be followed, and it is hoped during the summer season to realize handsomely from the production that will be made.

The placer ground in question is conceded to be the richest in the Manhattan district, but has heretofore been neglected owing to the costs that would naturally be incurred, there being three strata to be passed before bedrock is reached, which has a depth of about 80 feet. There is a great tonnage of dirt available for sluicing that is expected to return a big margin of profit and the interested parties anticipate a prosperous season.

CONSTANCE BINNEY WAS REARED HERE

Constance Binney, famous movie star, and a Tonopah girl during the early life of this camp, and who attended the first school with her sister, in Tonopah, and daughter of Horace Binney, first attorney for Tonopah Mining company, who died at the Palace hotel in San Francisco about five years ago, leads in the vote being conducted at the Gaity theater in New York City for queen of New York Association for Improving the Conditions of the Poor. On the opening night Miss Binney received 7976 votes out of a total of 39,000 votes. The drive will culminate in a carnival at the Hotel Astor on May 9.

The Bonanza is not afraid and dares print all the news.

ASSESSMENT NOTICE.

Tanopah-Midway Consolidated Mining Company.

Location of principal place of business and property, Tonopah, Nye county, Nevada.

Notice is hereby given that at a meeting of the board of directors, held on the 1st day of May, 1922, an assessment (No. 10) of two (2) cents per share was levied upon the outstanding common capital stock of the corporation, payable immediately in United States gold coin, to the secretary-treasurer, at the office of the company, Tonopah, Nevada.

Any stock upon which this assessment shall remain unpaid on the 3rd day of June, 1922, will be delinquent and advertised for sale at public auction, and unless payment is made before July 10th, 1922, will be sold at the office of the company in Tonopah, on Monday, July 10, 1922, at 10 o'clock A. M., to pay the assessment, together with the cost of advertising and expenses of sale.

By order of the board of directors, E. J. ERICKSON, Secretary. P. O. Box 11, Tonopah, Nevada.

REED DISTRICT IS ATTRACTING REAL ATTENTION

Local Mining Men Secure Lease on Block of Ground on Snow Storm Claim.

Interest in what is known as the Reed district, located five miles south of Golden Arrow, is not slackening by any means, but on the other hand mining men continue to visit that section in numbers. The country has been staked within a radius of three miles of the original discovery on what is known as the Storm Cloud group of claims, and plans are formulating for a busy season of mine development.

O. K. Reed, Grant Crumley, James Shea, and N. P. Nelson have taken a lease on a block of ground on the Storm Cloud property, that has a length of 600 feet. In the bottom of an 11-foot prospect hole a four-foot vein of ore is exposed that shows average values of \$82.50 in gold and silver, with silver largely predominating.

The Reed district should not be confused as belonging to Golden Arrow. It is described as being entirely separate and distinct from the Golden Arrow and lies on the opposite side of the range, although the distance between the two is only five miles by air line. The country has heretofore remained unprospected, and the formation is said to be quite different from that of Golden Arrow in that it shows andesite and rhyolite, and is almost identical in character with that of the Mizpah vein in Tonopah which brought this camp into the limelight during the early history by reason of the rich and large orebodies that were discovered.

GOLDFIELDERS SAVE MAN FROM PERISHING

A party of Goldfielders who went to Death Valley Sunday saved from suffering or death a man they found in the valley, according to E. S. Giles one of the party, says the Tribune. They met the man late Saturday as they were leaving the valley. He was walking from Furnace creek to Beatty, a distance of 65 or 70 miles. He had drunk the water in his canteen and was without food. He was still 8 or 10 miles from water and as he probably would have missed the springs in the night his condition the next day would have been desperate. The party, consisting of Mr. and Mrs. Giles, Miss Evelyn Reeves, Miss Emma Doty, Corrin Barnes and Roger Downer, left here Friday afternoon, going to Chloride Cliff and then into the valley by way of Daylight Springs. They reached a point about 200 feet below sea level. Many interesting pictures were taken of the famous region and incidentally two sidewinders were killed.

Millers-Mina Road in Deplorable Condition

The road leading to Mina in the flat just the other side of Millers, is in a deplorable condition, and for a distance of fully two miles, travel is mighty uncertain and slow. The flat is under water, making travel difficult. This section of the highway lies in Esmeralda county, and it would seem that the county commissioners over there would proceed to make the necessary improvements, in view of the fact that the cost would not be very heavy.

If southern Nevada is to enjoy tourist travel during the summer from the north, then it is up to Esmeralda and Nye counties to keep our roads in good condition, otherwise the word will go forth to stay away from this section of the state.

Old Resident Dies.

James Stapleton, for 15 years a resident of Goldfield, died at the county hospital in that town yesterday morning. He was about 62 years of age and had no relatives so far as known.

NOTICE TO PUBLIC.

I have this day sold the Lobby Cafe to Gee Fong and will not be responsible for any bills that may be contracted in the future by my successor.

AMUSEMENTS

THOMAS MEIGHAN AT THE BUTLER TODAY

Thomas Meighan, the popular Paramount star, has scored another hit in his latest photoplay, "A Prince There Was," which will be shown at the Butler today. The picture has a refreshing theme and is excellently presented. Mr. Meighan is seen as a son of the idle rich, who is unhappy and discontented for lack of something to do. The girl is a struggling young writer trying to make a name for herself by writing short stories, but with little success. They are brought together by Comfort Brown, the little drudge of all work at the cheap boarding house where the girl is living, and a delightful romance develops, and at the finish all ends happily. There are many moments of suspense and thrill and the production is very pleasing.

Added to the program will be the Latest Pathe Review.

Tomorrow, Rich Talmadge makes his debut in a real "thriller," "Taking Chances."

NOTICE TO TENNIS PLAYERS.

There will be a meeting of the Tonopah Tennis club on Wednesday, May 3, 1922, at R. Fred Brown's office. All persons interested are asked to attend, at 7:30 p. m. M-3t. C. E. WALDNER.

NOTICE TO JURORS.

Trial jurors need not appear until Monday, May 8th, 1922, 10 a. m. L. E. GLASS, Clerk of Court.

NEVADA DIVORCE IS ANNULLED IN FLORIDA

(By Associated Press)

CARSON, May 2.—The office of the attorney general of Nevada has been advised that the circuit court of Duval county, Florida, on April 17, declared void the divorce decree granted Dr. Charles C. Blake from Lillian C. Blake in the district court in Reno, January 5, 1921.

It is alleged that the doctor, a practicing physician of Tampa, Fla., on April 9, 1920, kissed his wife and children good-bye, telling them that he was going to Chicago for several months' special course, spent the next evening in Jacksonville with his mother-in-law, to whom he told the same story, reached Reno May 1 of last year, and secured his divorce in due time.

It is claimed that all the time the doctor was making his home in Reno his wife and children received from him letters postmarked Chicago, and

that they knew nothing of his presence in Nevada.

The Florida court held the divorce void on the ground of fraud and also on the want of jurisdiction of the courts of Nevada to grant a divorce to a resident of Florida against a resident of that state.

NOTICE TO TAXPAYERS.

PUBLIC NOTICE is herewith given that the Second Installment of State, County and Special Taxes for the year 1921, is now due and payable in legal tender, at the office of the Treasurer of Nye County; and, unless paid on or before June 6th, 1922, at 5:00 o'clock, P. M., of said date, will become delinquent, and, a penalty of Ten (10) per cent, as provided by law, will be added thereto.

L. E. GLASS,

County Treasurer of Nye County, M2-9-16-23-30.
